

# SCHD ROYAL RANGERS

## 2025 POW-WOW INFORMATION

### Registration and Check-In

All campers attending the Pow-Wow must register with their outpost and check-in at the registration table upon arrival at the camp. All fees must be paid at the time of registration.

Pow-Wow registration is open to men and boys only.

### Registration Fees:

- Pre-Registration Discount: \$60.00 per person (boys and men)  
**By June 1<sup>st</sup>** Includes Pow-Wow T-shirt and Patch
- Registration: \$75.00 per person (boys and men)  
Includes Pow-Wow T-shirt and Patch  
(First come first served with the t-shirts  
due to limited shirt sizes and quantities)

### Adult Registration Requirements:

Every adult attending must provide a completed "Adult/Leader Registration Form" indicating the approval of their pastor to serve as a children or youth worker in their church. These forms must be turned in at check-in for every adult attending.

**Senior/Lead Pastor** (or another pastor tasked with oversight of Royal Rangers) may attend  
for **FREE** from each church. However, an Adult/Leader Registration Form will still be required.

### Boy Registration

When you arrive at the camp, a "Registration Roster for Boys" will be needed, a single form listing the name and age group for all boys. All boys must attend with an outpost and remain under the supervision of their adult outpost leaders at all times during the event. Boys must be in 3<sup>rd</sup> grade or older to attend. Younger boys may attend only if accompanied by their father or legal guardian for the duration of the event.

### MEDICAL FORMS & ASSISTANCE

An "Emergency Medical Information & Authorization Form" (medical form) should be completed for every person attending (including adults) to ensure all necessary information is on hand in the event of an emergency. Outposts should collect these forms from everyone in their group and keep them on hand throughout the event, including travel to and from the event. These forms will NOT be turned in at check-in. In the event someone needs medical assistance, this form should be provided to the staff at the First Aid station on site or elsewhere as needed. Limited medical assistance is available on site at the First Aid station. If an attendee needs additional medical

treatment or transportation to a medical facility, those arrangements are the responsibility of their outpost leaders.

## **EMERGENCY NUMBERS**

- All medical or security emergencies – call 911
- Baylor Scott & White Medical Center, Waxahachie, TX – (469) 843-4000 (about 15 min away)

## **PARKING & TRAILERS**

Outposts may keep their vehicles near camp during setup and teardown but must move them to the designated parking area near the front entrance of the camp before dark on Thursday. Outposts are free to move vehicles back into camp on Saturday after lunch to begin teardown.

## **MEALS & EQUIPMENT**

Outposts will be responsible for providing all meals in their campsites.

Since we are camping outdoors, it is the responsibility of every outpost to bring their own food, cooking equipment, tables, tents, tools, first aid kits and all other items associated with camping outdoors.

## **SAFETY & SECURITY**

The safety and security of everyone attending Pow-Wow is of paramount importance. Trained and qualified First Aid and Security personnel are therefore on site to provide oversight and assistance to ensure everyone involved has a safe and fun experience. Please take note of the following standards and share them with everyone attending to ensure they are aware and willing to comply.

1. Firearms are limited to designated security personnel and scheduled shooting sports activities conducted under the supervision of selected NRA-certified Range Safety Officers (RSO). Firearms brought onto the property for shooting sports activities must be unloaded and kept in a secure location such as a locked vehicle until time for use. They must then be presented to the RSO conducting the activity for inspection & approval before use.
2. Edged tools (knives, axes, etc.) are for campsite use only and should be kept secure in a designated tool craft area or other safe location. Supervision of boys while using edged tools is the responsibility of their outpost leaders. Refer to the Tool Craft merit and the Cut & Chop card for details.
3. First Aid assistance is available in the First Aid Building 24-hours a day (pending the availability of staff). Please bring the individual medical form with you for any injured person in need of help. If no one is at the First Aid office, contact the Camp Director.
4. Ticks, chiggers, and mosquitos are common hazards in Texas and everyone is encouraged to wear insect repellent at all times at the camp. Long pants are recommended for evening services to avoid mosquitoes.
5. Poisonous snakes are also present at the camp, although they are not commonly seen. Avoid tall grass, old wood piles, rock piles, or other areas where snakes are commonly found.

6. The pond is available for fishing under their own outpost adult supervision and will be used at designated times for activities. It is NOT available for swimming.

Your assistance with ensuring everyone in your group is aware and complies with these standards are greatly appreciated and essential for ensuring the safety of all our boys.

## **CAMPFIRES**

Open campfires are allowed but must follow current Fire Craft merit safety standards. We highly encourage all outpost to use a fire ring. This is subject to the county issuing a burn ban and the North Texas District policy and rules.

Campfires must be **attended at all times**. Campfires should be fully extinguished before leaving your campsite for morning assembly, evening services, or going to bed. When you break camp on Saturday, **your campfire must be fully extinguished at least two hours before exiting the campgrounds** (please clear your fire area of all rocks and debris, including fire rings). Rocks and firewood may be neatly stacked near the trees so the area may be easily mowed after the camp. **A Royal Ranger always leaves his campsite better than he found it.**

## **TRASH**

A large trash dumpster is available near the entrance of the camp for your use in disposing of your trash. Please place trash in bags and place the bags inside the dumpster.

## **SHOWERS & RESTROOMS**

Showers and restrooms for boys and leaders are available. All adults ages 18 or older must use the rooms for MEN, while boys must use the BOYS showers and restrooms. All shower stalls are individual/private stalls with curtains. Campers must bring their own towels & soap. If you forgot something and need assistance, let us know. We have extras.

## **UNIFORMS & CLOTHING**

Uniforms are not required of campers at Pow-Wow, although a uniform inspection will be

conducted following the Friday morning assembly for those who choose to participate. Awards will be presented for the best uniformed outpost, which may take the form of utility uniforms, outpost T-shirts, awards vests, or any other uniform designated by your outpost according to national uniform guidelines.

Modest clothing is required of all attendees at all times. Knee-length shorts are allowed. Sturdy shoes are recommended due to rough terrain in places. Long pants are recommended for evening services due to the possibility of mosquitoes.

## **LEADER MEETINGS**

Leader meetings will be held in the Tabernacle at 8:30PM on Thursday and Friday evenings to share special announcements and ensure everyone is aware of the plans for the camp. At least one leader from each outpost is asked to attend to receive this information.

### **EVENING SERVICES**

A Thursday evening and Friday evening service will take place at the Tabernacle for a time of camp fun & fellowship. Seating is provided in the Tabernacle, but outposts are encouraged to bring their own chairs.

### **FRIDAY MORNING ASSEMBLY**

A Friday morning assembly will take place at the flag poles outside the lodge. We will begin with a flag raising followed by a brief devotion and prayer. Announcements and details concerning the day's activities will be given at this time. Immediately following morning assembly, outposts are encouraged to stay and participate in the outpost uniform inspection.

### **SATURDAY MORNING ASSEMBLY**

A Saturday morning assembly will take place at the flag poles outside the lodge. We will begin with a flag raising followed by a brief devotion and prayer. Announcements and details concerning the day's activities will be given at this time.

### **CELEBRATION SERVICE & DISMISSAL**

On Saturday morning after assembly, we will have a celebration service where awards and trophies will be handed out.

Outposts are dismissed when their campsite is inspected, and they are cleared to leave by a district staff personnel.
